OKMULGEE COMMUNITY SNAPSHOT

OKMULGEE | OKMULGEE COUNTY, OK

- ✓ Okmulgee, OK is essentially equal distance from the west coast to the east coast and just a few miles south of the north/south center of the United States. We might not be the exact center of the universe but we are close to the center of the Nation! Our central location along US Highway 75 makes Okmulgee an ideal location for moving goods in any direction. Okmulgee is approximately 50 miles from Oklahoma's three inland ports as well as from the Tulsa International Airport.
- ✓ Okmulgee has had a robust manufacturing community for 100+ years with notable employers that continue to export across the globe. It is the capital of the Muscogee (Creek) Nation. Abundant outdoor and recreation activities include: motosports, water skiing, camping, hiking, shooting sports and hunting at local parks, lakes and nature refuge.
- ✓ Operating a business can be challenging, but the state of Oklahoma has removed the barriers and streamlined the process to make it easier for companies to develop and grow. With living costs as much as 40% lower than the national average and world-class workforce development programs, we're making it easier to plug into the Oklahoma business ecosystem to gain access to the people, programs, and tools that will support real-time business decisions. Oklahoma offers reliable, affordable power; is in the top 10 states of lowest tax burden (CNBC) and in the top 4 states of lowest cost of living (Forbes); and is a Right-To-Work state.
- ✓ Customized training is available at Green Country Technology Center, Oklahoma State University Institute of Technology (OSUIT) and College of Muscogee Nation to create programs relevant to your workforce/training needs.
